The screenshot shows the Wiley InterScience website interface for the journal 'HEADACHE: The Journal of Head and Face Pain'. The page features a blue header with the Wiley logo and navigation links (HOME, ABOUT US, CONTACT US, HELP). Below the header, the journal title is prominently displayed in red. A sidebar on the right contains search options: 'SEARCH IN THIS TITLE' with a search box and 'All Fields' dropdown, and 'SEARCH BY CITATION' with fields for Volume, Issue, and Page. At the bottom right, there is a 'SEARCH WILEY INTERSCIENCE' section with radio buttons for 'All Content' and 'Publication Titles', and a search box. The main content area includes a thumbnail of the journal cover, a list of actions (Get Sample Copy, Recommend to Your Librarian, Save Journal to My Profile, Set E-Mail Alert, Email this page, Print this page, RSS web feed), and the American Headache Society logo. The footer contains 'ISSUE NAVIGATION' links for various years and a 'Current Issue' section.

The EZPROXY session remains open until you close the browser window. This means you can access other journals via A – Z without having to login in again.
