### **LIFE WEST FACULTY MEMBER PRESENTS AT ANNUAL BLAIR CONFERENCE**

**HAYWARD, Calif, October 23, 2008** – On September 26 and 27, Dr. Shawn Dill, faculty and Director of Life Chiropractic College West's Institute for Advanced Care in Chiropractic, delivered a presentation at the Blair Chiropractic Society's annual conference in Dallas, Texas. Dr. Dill spoke on the topic of advances in the Upper Cervical Diplomate Program of the Council on Upper Cervical Systems of the International Chiropractors Association (ICA).

Dr. Dill serves as the first chairman of the Council on Upper Cervical Systems. Dr. Dill, a Logan College of Chiropractic graduate, practiced in San Jose, Costa Rica for almost a decade before returning with his family to the United States. In 2005 he joined the faculty at Life Chiropractic College West and has gone on to assist in the growth and expansion of the College's upper cervical curriculum.

Life West, established in 1976, is an accredited non-profit institution of higher learning. Currently over 400 students from across the United States and abroad are enrolled, and over 3,700 graduates of Life West are now providing chiropractic care worldwide. The college's Health Center, a public outpatient facility, staffed by approximately 150 senior interns who are guided by licensed doctors of chiropractic, provides affordable health care to more than 1,500 patients per week in the city of Hayward, California. The college and Health Center maintain a Web site at [www.lifewest.edu](http://www.lifewest.edu).
