## LIFE WEST STUDENT RECEIVES THE FIRST DR. MICHAEL DOBBINS SCHOLARSHIP

**Hayward, Calif., June 1, 2010** — The first Dr. Michael Dobbins Excellence in Nutritional Education Scholarship was given to Life Chiropractic College West student, James Hartman Andersen, during the college's annual Spring for Life celebration on May 13. Standard Process, Inc., which manufactures high-quality, nutritional whole food supplements, created a \$10,000 annual scholarship through Life Chiropractic College West in recognition of Life West alumnus Michael Dobbins, D.C. For many years, Dr. Dobbins has been educating his patients, colleagues and the public on the value of combining chiropractic care and whole food nutritional supplements to promote personal well-being and maintaining one's overall health.

The Dr. Michael Dobbins Excellence in Nutritional Education scholarship will be awarded to a Life West student each year for the next ten years. According to Standard Process, their goal is to encourage students to study whole food nutrition as they pursue their degrees in alternative health care.

Life West, established in 1976, is an accredited non-profit institution of higher learning. Currently over 400 students from across the United States and abroad are enrolled, and over 3,700 graduates of Life West are now providing chiropractic care worldwide. The college's Health Center, a public outpatient facility staffed by approximately 150 senior interns who are guided by licensed doctors of chiropractic, provides affordable health care to more than 1,500 patients per week in the city of Hayward, California. The college and Health Center maintain a Web site at [www.lifewest.edu](http://www.lifewest.edu).
