

# Seminar speakers for Spring 2011

April 1 Dr. Susan Seekins – Current president of SORSI, in the Bay area for the SORSI Research & Education symposium on SOT, pediatrics, pregnancy and Chiropractic Craniopathy. (Learn more at [www.sorsi.com](http://www.sorsi.com)) Dr. Seekins will speak about chiropractic care for children and some of the more common areas of problems for the youngest of our patients.

April 8 Health Center Case presentation – 2 senior interns from our Health Center will present their most interesting and difficult cases. A seminar favorite!

April 15 Dr. Ray Drury – Topic: How to Build a Successful Practice and a Successful Life. Dr. Drury will be sharing the common characteristics and traits that make doctors successful in their practice and their practice and their life outside of their practice.

April 22 WCCS – World Congress of Chiropractic Students Life West chapter is fresh back from the annual meeting in South America. This is an international forum representing the chiropractic profession. Active membership consists of over 15,000 student from 32 Chiropractic Colleges all over the world.

April 29 Dr. Ian Davis -Tremayne '08 practices in Marin county. Topic: Life after Life – practicing and lovin' it. Thoughts on ways to prepare for the next steps after chiropractic school.

May 6 Dr. Sue Brown – Creator and developer of Bio-Geometric Integration. She s the owner of a successful multidisciplinary practice in the suburbs of Chicago. A dynamic and thought-provoking speaker, she will get you thinking! \*\*concurrent HC program

May 13 Dr. Christina Meekim and Dr. Jamie Stern '03. These doctors have a busy NUCCA practice in San Francisco. Both are former faculty at LCCW. They will be sharing the joys of practice and some of the lessons they have learned along the way.

May 20 Dr. Jim Hulsebus – From a big chiropractic family and the Chicago area, Dr. Hulsebus will be discussing patient protocols and the importance of patient education classes in a subluxation based practice.

May 27 Dr. Brian Kelly and Life 101 presentation – Our president and students that participated in Life 101 will share some of the highlights of this “class”. Catch the excitement from this amazing event.

June 3 Health Center Recognition – Join us as we congratulate the new Health Center Interns and say good-bye and best wishes to the graduating class.
