STANDARD PROCESS DONATES \$10,000 ANNUAL SCHOLARSHIP TO LIFE CHIROPRACTIC COLLEGE WEST TO HONOR ALUMNUS

Hayward, Calif., October 27, 2009 — Standard Process, Inc., which manufactures high-quality, nutritional whole food supplements, has created a \$10,000 annual scholarship through Life Chiropractic College West in recognition of Life West alumnus Michael Dobbins, D.C. The donation was announced at a luncheon held during Life West's annual Homecoming Festival on Friday, October 9.

The scholarship was announced by Standard Process President Charlie DuBois on August 28 at the Florida Chiropractic Association's convention in Orlando, Fla.; Mr. DuBois also presented Dr. Dobbins with the Excellence in Nutritional Education Award.

The Dr. Michael Dobbins Excellence in Nutritional Education scholarship will be awarded to a Life West student each year for the next ten years.

For many years Dr. Dobbins has been educating the public, his patients and colleagues on the value of combining chiropractic and whole food nutritional supplements to promote well-being and maintain good health. In addition to his lecturing, he maintains a busy practice in Alameda, Calif.

Details on the new scholarship are provided in the current student scholarship section of the Life West website at http://www.lifewest.edu/financialaid/cur_student_scholarship.shtml.

Life West, established in 1976, is an accredited non-profit institution of higher learning. Currently over 400 students from across the United States and abroad are enrolled, and over 3,700 graduates of Life West are now providing chiropractic care worldwide. The college's Health Center, a public outpatient facility staffed by approximately 150 senior interns who are guided by licensed doctors of chiropractic, provides affordable health care to more than 1,500 patients per week in the city of Hayward, California. The college and Health Center maintain a Web site at www.lifewest.edu.
