LIFE WEST PARTICIPATES IN YELLOW RIBBON GI EDUCATION ENHANCEMENT PROGRAM

Hayward, Calif., September 16, 2009 — Life Chiropractic College West is announcing its participation in the Yellow Ribbon Program for Post 9/11 U.S. military veterans. The Veteran's Administration program benefits veterans with active duty service performed after September 10, 2001 who are attending private schools and universities with tuition expenses higher than tuition costs at public in-state universities.

Brenda Johnson, director of financial aid at Life West, said, "It is an honor to participate in this exceptional program providing greater benefits and support to our veterans who given so much to our country. We genuinely appreciate all of our veteran students and look forward to guiding them through the funding process."

The Yellow Ribbon Program is an increased financial benefit from the Post 9/11 GI Bill. The program makes it possible for many veterans who would not normally be able to afford the higher tuition of private schools the opportunity to acquire a high-quality education of their choice.

Veterans interested in utilizing the Yellow Ribbon Program at Life West can visit http://www.lifewest.edu/financialaid/veteran_benefits.shtml for additional details.
